Auditors' Report

to the readers of New Zealand Post Limited and Group’s financial statements for the year ended 30 June 2008.

The Auditor-General is the auditor of New Zealand Post Limited (the Company) and the Group comprising the Company and its subsidiaries. The Auditor-General has appointed me, Karen Shires, using the staff and resources of PricewaterhouseCoopers, to carry out the audit of the financial statements of the Company and Group, on his behalf, for the year ended 30 June 2008.

Unqualified Opinion

In our opinion:

The financial statements of the Company and Group on pages 51 to 132:
- comply with generally accepted accounting practice in New Zealand; and
- comply with International Financial Reporting Standards; and
- give a true and fair view of:
  - the Company and Group’s financial position as at 30 June 2008; and
  - the results of operations and cash flows for the year ended on that date.

- Based on our examination the Company kept proper accounting records.

The audit was completed on 21 August 2008, and is the date at which our opinion is expressed.

The basis of our opinion is explained below. In addition, we outline the responsibilities of the Board of Directors and the Auditor, and explain our independence.

Basis of Opinion

We carried out the audit in accordance with the Auditor-General’s Auditing Standards, which incorporate the New Zealand Auditing Standards.

We planned and performed the audit to obtain all the information and explanations we considered necessary in order to obtain reasonable assurance that the financial statements did not have material misstatements, whether caused by fraud or error.

Material misstatements are differences or omissions of amounts and disclosures that would affect a reader’s overall understanding of the financial statements. If we had found material misstatements that were not corrected, we would have referred to them in our opinion.

The audit involved performing procedures to test the information presented in the financial statements. We assessed the results of those procedures in forming our opinion.

Audit procedures generally include:
- determining whether significant financial and management controls are working and can be relied on to produce complete and accurate data;
- verifying samples of transactions and account balances;
- performing analyses to identify anomalies in the reported data;
- reviewing significant estimates and judgements made by the Board of Directors;
- confirming year-end balances;
- determining whether accounting policies are appropriate and consistently applied; and
- determining whether all financial statement disclosures are adequate.

We did not examine every transaction, nor do we guarantee complete accuracy of the financial statements.

We evaluated the overall adequacy of the presentation of information in the financial statements. We obtained all the information and explanations we required to support our opinion above.
Responsibilities of the Board of Directors and the Auditor

The Board of Directors is responsible for preparing financial statements in accordance with generally accepted accounting practice in New Zealand. Those financial statements must give a true and fair view of the financial position of the Company and Group as at 30 June 2008. They must also give a true and fair view of the results of operations and cash flows for the year ended on that date. The Board of Directors’ responsibilities arise from the State-Owned Enterprises Act 1986 and the Financial Reporting Act 1993.

We are responsible for expressing an independent opinion on the financial statements and reporting that opinion to you. This responsibility arises from section 15 of the Public Audit Act 2001 and section 19(1) of the State-Owned Enterprises Act 1986.

Independence

When carrying out the audit we followed the independence requirements of the Auditor-General, which incorporate the independence requirements of the Institute of Chartered Accountants of New Zealand.

In addition to the audit we have carried out assignments in the areas of tax advice and other assurance services, which are compatible with those independence requirements. Other than the audit and these assignments, we have no relationship with, or interests in, the Company or Group.
